PERSONAL PROJECTS

Real Time Chat App (11/2021 - 11/2021)

- A minimal, distraction-free chat application. This web app works by room and user-based chat room, users can chat by creating the room. Once the chat room is created two or more users can chat with encryption simultaneously.
- <http://rabs.pythonanywhere.com/>

ToDo App (01/2022 - 01/2022)

- It was my first Django Web Application that create an account and Login system and users can list their upcoming, targets/events/works or more and also mark as a completed task when it's complete and many more functions based on CRUD.
- <http://rabs177.pythonanywhere.com/>

CERTIFICATES

Responsive Web Designing (06/2021 - 07/2021)

It was project-oriented training during the summer that I have done from online sources. Covered HTML, CSS-Flexbox, Grid & basic JavaScript.

NIELIT 'O' Level (07/2019 - 01/2021)

NIELIT 'O' level course of DOEACC Scheme is equivalent to a **Foundation Level Course in Computer Applications**.
